### 4 Easy Steps to the Family Fun Challenge

**Step One:** Choose a bowl: A top hat, a fishbowl, a bowl you painted together (anything eye-catching and fun!)

**Step Two:** Cut along the perforated lines into 25 separate tasks.

**Step Three:** Toss it all up! Then select a member of your family to randomly choose a square.

**Step Four:** Now perform whatever is on the square. (Don't forget to put the square back. You might enjoy it so much you'll want to do it again!)
