4 Easy Steps to the Family Fun Challenge

Step One: Choose a bowl. Whether your family chooses a top hat, a fishbowl or a family heirloom, make it an eye-catching piece located in a visible area of your home.

Step Two: Use the perforated lines of your Family Fun Challenge Board to cut out the 25 separate tasks.

Step Three: Toss it all up! Select a member of your family to randomly choose a square. You can start from youngest to oldest or tallest to smallest.

Step Four: Now that you have picked this evening's challenge here comes the fun part- performing it! Don't forget to put the square back. You might enjoy it so much you'll want to do it again!
